How to apply?

How to apply: <https://www.uca.ac.uk/study/how-to-apply/>

Information for applicants: <https://www.uca.ac.uk/applicants/>

We accept UCAS applications, as well as direct applications.

For direct applications, the online application forms can be accessed using the link which is available via the 'Apply now' section on each individual course webpage.

Admissions key contacts:

International and EU Admissions: internationaladmissions@uca.ac.uk

What is the applicant portal?

On receipt of an application, we will send applicants an e-mail confirming their username (the UCA ID which must be quoted on all communications with us) and password for the UCA Applicant Portal.

The Applicant Portal enables applicants to:

- View the status of their application
- View their Applicant Day invitation and guide
- Upload their application documents (only available to international applicants)
- View advice on preparing their portfolios
- Upload their portfolios
- Book accommodation
- View information on how to pay their deposits and apply for a visa (only available to international applicants)
- Information on enrolment

Agent Portal key contact (technical issues): myRecordshelp@ucreative.ac.uk

CAS Shield Guide

CAS Shield is a cutting-edge platform which universities use to make the CAS process and Tier 4 visa submission much easier and user friendly.

The CAS Shield portal allows partners and students to upload the documents and personal data required by institutions for a CAS number.

Unconditional Firm students are invited to complete the CAS Shield record

Students must pay their deposit and complete the CAS shield record

A CAS is issued and students can apply for their visa

博士前研究学位预备课程

如果你想申请 UCA 的博士学位，我们的线上博士预备课程将帮助你实现博士学位申请。

您或许已经拥有硕士学位或相关的研究 / 专业经验，但该课程将帮助您完成申请。我们会帮助您确定选择基于实践的研究学位 (practice-based) 还是理论研究的学位 (written research degree)，将您与我们的博士群体紧密连接起来，帮助选择适合您研究方向的博士生导师。

我们还提供一个可自选的学术英语模块，其重点是每周提供两个小时的额外学习，帮助您提高学术英语技能。

通过该课程，您将：

- 在课程期间，学生将首先理解和应用关键研究，及在学术研究方法方面得到全面的博士预备培训。
- 学习如何完善您的研究兴趣，起草文献综述和课题研究计划书，逐渐将兴趣和想法落实到具备可行性、且有价值的博士课题。
- 撰写申请表、研究计划书和文献引用。
- 提供为最终面试的深度指导。
